Minor revision

Comments-

For revision of your article see the following points

- Format-: Revise article to make it strictly as per format of the Journal. Refer latest issue of the Journal for formatting.
- Symbol and units: It should be as per International System of Units (SI). See it in instructions to authors and follow accordingly and strictly.
- Errors: Grammatical and punctuation errors should be rectified. Authors are suggested to use smart tools like 1 checker, ginger, grammarly, white smoke, etc.
- Ensure that biological names (plants/crude drugs/bacteria/fungus etc) are in italic in whole manuscript including reference also.
- Reference citation- References are to be cited in parentheses/Square bracket like [1] in line with text.
- References: There is no need to mention issue number with volume. It should be provided only if it is supplement issue. Please correct accordingly.
- Authors should add/replace at least 2 references from International Journal of Pharmacy and Pharmaceutical Sciences and may be at least one
