Dear Mr Dudung Angkasa,

Greetings from Malaysian Journal of Nutrition Editorial Office.

With reference to your manuscript submitted and accepted earlier titled "***MAPAGI' video game provided a greater upgrade in improved breakfast attitude among urban elementary school children in West Jakarta, Indonesia***", we are pleased to inform you that we have completed language editing of the manuscript and formatted the document accordingly.

1. Kindly refer to the edited manuscript and various comments made by the Editors for your attention.
2. Take note the following:
 - o Title: We suggested the title to be changed to "***MAPAGI' video game upgraded (or improved) breakfast attitude of urban elementary school children in West Jakarta-Indonesia***"
 - o Methodology: Please mention the Mann-Whitney U Test and the maximum knowledge score in the methodology.
 - o Discussion: Please check, the last sentence of your discussion can be re-written as "A short coming of the current study is that the effects of the effects of the video game were not observed for a longer period as any improvement in eating behaviour and dietary pattern are expected to require a longer time of nutrition education" to make it more clear.
 - o Figures: Please note that all figures will be in black & white in the final article
3. Please be informed that some of your sentences have been edited, please read the manuscript thoroughly. It is important that you check it against your original in case the meaning you intend has been inadvertently changed.

Kindly note that it is not permitted to change the title or authorship unless in exceptional circumstance, which would require a new copyright agreement and a written authorization by any or all authors, affected.

Once we receive the final checked and revised clean manuscript, we will proceed to layout, you will then be given the final PDF for checking. Your manuscript will be immediately published as Online First once you have approved the final PDF.

Kindly respond with the final clean revised manuscript latest by [Monday, 12 October 2020](#).
