

## ACKNOWLEDGEMENTS

This thesis is written as part of conditions to achieve master degree ( Magister Managemen ) in economics ( majoring finance ), at University of Indonusa Esa Unggul, Jakarta.

I wish thank to God for His blessing that enable me to accomplish this thesis.

In particular, I would like especially thank to my thesis writing advisor, Mr. Sahala L. Gaol PhD. For his excellent guidance with his pleasure so that enable me to accomplish this thesis onward.

I also thank to Mr. Ir. Son Diamar MSc.PhD. as Director and all lectures & secretarial staff of MM's programme of Indonusa Esa Unggul for all encouragement and dedication.

And last but not least , I would like to thank to my wife & daughter ( Melati & Kanza ), friends, colleage and who are not mentioned here, thank for everything.

I realize that this thesis is not an excellence one, so I hope if any idea or suggestion for improving this thesis will be welcome with all my pleasure.

Jakarta, September 1998
