

ACKNOWLEDGMENTS

First of all, I would like to thank the Almighty GOD for all His blessings, grace and guidance that have enabled me to accomplish the writing of this thesis.

I have had considerable help and support from other parties in composing this thesis. I am very deeply indebted and grateful to all of the lecturers in the IEU Institute of Management, colleagues and friends who helped in completing this thesis. Without their help and assistance, I doubt if the thesis could have been completed.

I wish to thank them all for their inspiration, cooperation and supports.

I would also like to express my appreciation to my promoter : Drs. Hendrawan Supratikno, MBA for his supports, assistance, advice, correction and creative useful comments in reviewing all the analysis during the preparation of this paper.

My thanks also go to the Board of Directors of PT. Sinar Jaya Trucking Company for letting me take the company as the object of this thesis.

I would also like to thank all of my colleagues in the company for their support and cooperation.

Finally, my deepest thanks and endless debt to my husband, my parents, sisters, brothers and children for their guidance, support and care to me in pursuing my dream.
