

PREFACE

Human resources play an important role in any living situation. Even hi-tech will not succeed if it is not supported by qualitative human resources.

In this thesis, the writer endeavors to present his opinion regarding which work ethos that can guarantee the success of energy independence.

On this occasion the writer wishes to thank to DR. Singgih Riphath MA, Director of Graduate Program, IEU University, who has given facilities in completing this thesis, to DR. Son Diamar MSc., who has given his counseling and to DR. MD. Soetisna AK, MBA for his available advice and directions. Without all of their guidance this thesis would not have been realized.

The writer also expresses his gratitude to the IEU Secretariat and to all parties who have given their assistance for the completion of this thesis. I hope that this thesis may be useful, however small it is.
