

## ACKNOWLEDGEMENT

This thesis is written as a final assignment to obtain the MBA degree from the Indonesian European Institute of Management, Jakarta.

This thesis deal with an analysis of the Strategic Management of the PT Freeport Indonesia Company. The writer hereby like to thank to all the lecturers and all my colleague at Indonesian European University - Institute of Management Jakarta. My special thanks to my Promotors Mr.Dr.Ir. Son Diamar and Mrs. Saraswaty Kempraj. Without their help, this thesis would have never come to completion.

The writer also wish to give the special thanks to my beloved wife Dien and the boys Hery, Dimas and Pandu who have sacrificed their time, pleasure and understanding until this thesis is finished.

Jakarta , July 1992

Hermani Soeprapto
