

ACKNOWLEDGMENTS

First and foremost, I would like to thank lovingly God for all His kindness and blessing so that this thesis able to be accomplished.

This thesis which title "The Optimal Capital Analysis at PT Riau Andalan Pulp & Paper" is submitted as a final paper to the Graduate School of Business, University of Indonusa Esa Unggul, in partial fulfillment of the requirements for the degree of Magister Management.

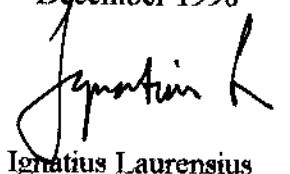

I would like to take this occasion to convey my sincere thanks to Mr. Sahala Lumban Gaol, Ph.D. for his kind guidance, moral support, and encouragement.

My special thanks are due to Mr. Son Diamar, Ph.D., President of "Magister Management" program, all lecturers who have transferred knowledge and skills, and all staff of the faculty of the Graduate School of Business, University of Indonusa Esa Unggul.

Thanks also to all my colleagues for having time altogether in class during the study for sharing and discussion.

It is sincerely hoped that this thesis will be useful.

December 1998
