Description: Business Analysis and Valuation, Third IFRS Edition provides comprehensive coverage on how to use financial statement data in a variety of business analysis and valuation contexts. The text's key strength is that it both

Business Analysis And Valuation IFRS Edition

Author : Krishna G. Palepu, Paul M. Healy, Erik Peek
No. Class : 658.15 PAL b

offers a framework for business analysis and valuation but also shows how this framework can be applied in a variety of decision-making contexts. The text is thoroughly IFRS based. For example, the chapters on accounting analysis prepare students for the task of analyzing IFRS-based financial statements; all numerical examples of accounting adjustments describe adjustments to IFRS-

based financial statements; and the terminology used throughout is IFRS-consistent. Business Analysis and Valuation, Third IFRS Edition is ideal for modules in financial statement analysis taken by MBA students, Masters in Accounting students, Executive Program participants and upper level undergraduates in accounting and finance.

Managing Supply Chains: A Logistics Approach 9th Edition

Author : John J. Coyle, C. John Langley, Robert A. Novack, Brian J. Gibson
No. Class : 658.7 COY m

Description : MANAGING SUPPLY CHAINS: A LOGISTICS APPROACH, 9E, International Edition refined its focus on the supply chain approach by blending logistics theory with practical applications. Features latest developments in logistics management.

using familiar real-world companies, people, and events.

Practical applications of supply chain management are provided using new and updated "On the Line" boxed featuring hands-on managerial experience of the chapter's topics.

Short Cases at the end of each chapter helps students build their knowledge by applying the principles learned in the chapter. •
