The **4** Roles Of Leadership

DR. Stephen R. Covey

PATHFINDING

*How do you see the way?
What matters most to them? To you?
Do you hear the unheard?
Do you see the unseen?*

LEADERS SEE THE WAY

ALIGNING

How do you see the connect ?

Can you see the forest for the tress?

Can you see the forest and the tress?

When the thing work together?

LEADERS SEE THE CONNECTION

EMPOWERING

How do you see the world ?

You have power to remember – so do they

Release the potential

Realize the potential

Reward the potential

LEADERS SEE OTHERS

MODELING

How do you see your self ?

Where do you get your answers?

Do you do thing right ?

Do you do the right thing ?

LEADERS SEE WITHIN

To plant a seed, watch it grow, to tend to it and then harvest it, offered a simple but enduring satisfaction. The sense of being the custodian of this small patch of earth offered a small taste of freedom. In some ways, I saw the garden as a metaphor for certain aspects of my life. A leader must also tend his garden, he, too, plants seeds, and then watches, cultivates, and harvests the results
