DAFTAR ISI

ABSTRAK ........................................................................................................ i
KATA PENGANTAR ...................................................................................... ii
DAFTAR ISI .................................................................................................... v

BAB I PENDAHULUAN

1.1. Latar Belakang Masalah ................................................................. 1
1.2. Fokus Penelitian ............................................................... 2
1.3. Tujuan Penelitian .............................................................. 5
1.4. Manfaat Penelitian ............................................................ 5
1.5. Sistematika Laporan ......................................................... 6

BAB II TINJAUAN PUSTAKA

2.1. Teori .................................................................................. 8
   2.1.1 Social Penetration Theory ....................................... 8
   2.1.2 Self Disclosure ........................................................ 9
2.2. Penjabaran Konsep-Konsep Penelitian ......................... 13
   2.2.1 Komunikasi Antarpribadi ........................................ 13
   2.2.2 Pendekatan Komunikasi Antarpribadi ............... 17
   2.2.3 Komunikasi Kesehatan ........................................... 24
2.3. Kerangka Pemikiran ..................................................... 28
2.4. Definisi Konseptual ....................................................... 29

BAB III METODE PENELITIAN

3.1. Desain Penelitian ............................................................. 33
3.2. Unit Analisis ................................................................. 35
3.3. Informan dan Key Informan ........................................ 36
3.4. Instrumen ........................................................................ 38
3.5. Keabsahan Data ........................................................... 40
3.6. Teknik Analisis Data ....................................................... 43

BAB IV HASIL PENELITIAN

4.1. Gambaran Umum Program LKB Kementerian Kesehatan RI ................. 44
   4.1.1 Program Layanan Komprehensif Berkesinambungan (LKB) HIV dan IMS 44
4.1.2 Layanan Puskesmas Rujukan sebagai Fasilitas Layanan Kesehatan Primer .......................................................... 45
4.1.3 Poli VCT Puskesmas Kecamatan Cengkareng ...... 46
4.1.4 Visi Misi Puskesmas Kecamatan Cengkareng ...... 46
4.1.5 Logo Perusahaan dan Struktur Organisasi .......... 47

4.2. Hasil Penelitian dan Pembahasan ....................... 49
  4.2.1 Konseling VCT dan Tes HIV ............................... 49
  4.2.2 Konseling Dokter dengan Pasien HIV ............... 51
  4.2.3 Pendekatan Humanistis ................................. 61
  4.2.4 Pendekatan Pragmatis ...................................... 79

BAB V PENUTUP
  5.1. Kesimpulan ............................................................. 90
  5.2. Saran .................................................................. 92
