DAFTAR GAMBAR

2.1 Faktor-faktor yang mempengaruhi tingkah laku konsumen..................23
4.8 Hasil Uji Validitas daya tarik label halal (X)..................................................72
4.9 Hasil Uji Reliabilitas daya tarik label halal (X)..................................................72
4.10 Rekapitulasi Daya tarik label halal..................................................................73
4.11 Saya membeli kosmetik berlabel halal karena untuk memenuhi kebutuhan.74
4.12 Saya memilih kosmetik berlabel halal karena berdasarkan pengalaman pribadi sebelumnya.................................................................................................75
4.13 Saya memilih kosmetik berlabel halal karena mendapatkan informasi dari orang lain..................................................................................................................76
4.14 Saya memilih kosmetik melalui atribut pada kemasan yaitu label halal.....77
4.15 Saya membeli kosmetik berlabel halal karena merasa terjamin kualitasnya.78
4.16 Saya merasa puas setelah membeli kosmetik berlabel halal.......................79
4.17 Saya akan melakukan pembelian ulang pada kosmetik berlabel halal.......80
4.18 Hasil Uji Validitas Keputusan Pembelian (Y).....................................................82
4.19 Hasil Uji Reliabilitas Keputusan Pembelian (Y)...............................................82
4.20 Rekapitulasi Keputusan Pembelian.................................................................83
4.21 Uji Korelasi........................................................................................................84
4.22 Uji Regresi..........................................................................................................85
4.23 Uji Hipotesis.......................................................................................................86
4.24 Nilai Dominan Perbutir Daya Tarik Label Halal (X).......................................87
4.25 Nilai Dominan Perbutir Keputusan Pembelian (Y)..........................................88
4.2 Hasil Penelitian ........................................................................................................... 67
  4.2.1 Profil Responden .................................................................................................... 67
  4.2.2 Analisis Variabel Daya Tarik Label Halal ............................................................. 69
  4.2.3 Rekapitulasi Perhitungan Uji Validitas dan reliabilitas Instrumen ........75
  4.2.4 Analisis Variabel Keputusan Pembelian ............................................................. 77
  4.2.5 Rekapitulasi Perhitungan Uji Validitas dan reliabilitas Instrumen ... 85
    4.2.5.1 Variabel Y (Keputusan Pembelian) .............................................................. 85
  4.3 Hasil Analisa Korelasi dan Uji Signifikansi .......................................................... 88
    4.3.1 Uji Korelasi ........................................................................................................ 88
    4.3.2 Uji Regresi ......................................................................................................... 89
    4.3.3 Uji Hipotesis ...................................................................................................... 90
  4.4 Pembahasan ............................................................................................................ 91
BAB V .................................................................................................................................. 93
PENUTUP .......................................................................................................................... 93
  5.1 Kesimpulan .............................................................................................................. 93
  5.2 Saran ........................................................................................................................ 96

LAMPIRAN :
Lampiran 1 : Contoh Kuesioner
Lampiran 2 : Klasifikasi Responden
Lampiran 3 : Validitas Daya Tarik Label Halal
Lampiran 4 : Validitas Keputusan Pembelian
Lampiran 5 : Tabel Induk Daya Tarik Label Halal
Lampiran 6 : Tabel Induk Keputusan Pembelian
Lampiran 7 : Hasil Test Retest
Lampiran 8 : Hasil Korelasi
Lampiran 9 : Hasil Regresi
Lampiran 10 : Hasil Hipotesis
DAFTAR BAGAN

2.1 Kerangka Pemikiran .................................................. 37
DAFTAR TABEL

1.1 Data jumlah penduduk Indonesia berdasarkan agama.............................................4

2.1 Operasional variabel..........................................................................................33

3.1 Interpretasi nilai r.............................................................................................50

3.2 Hasil test daya tarik label halal.........................................................................51

3.3 Hasil retest daya tarik label halal......................................................................52

3.4 Hasil daya tarik label halal..............................................................................53

3.5 Hasil test keputusan pembelian.........................................................................55

3.6 Hasil retest keputusan pembelian.....................................................................56

3.7 Hasil keputusan pembelian...............................................................................57

4.1 Klasifikasi responden berdasarkan usia..............................................................63

4.2 Identitas responden berdasarkan status pembelian............................................64

4.3 Saya merasa aman menggunakan kosmetik berlabel halal karena bahan-bahan yang terkandung didalamnya merupakan bahan-bahan yang teruji kehalalannya.................................................................65

4.4 Saya menggunakan kosmetik berlabel halal karena sesuai dengan nilai keagamaan saya........................................................................................................66

4.5 Produk kosmetik berlabel halal bermanfaat terhadap kesehatan kulit wajah saya karena terbebas dari bahan haram.................................................................68

4.6 Saya akan memilih kosmetik berdasarkan ada tidaknya label halal..............69

4.7 Saya lebih memilih kosmetik berlabel halal dari pada kosmetik yang tidak memiliki label halal..................................................................................................70
