BAB I PENDAHULUAN .................................................................................... 1

1.1 Latar Belakang Masalah ........................................................................... 1

1.2 Identifikasi dan Pembatasan Masalah .................................................... 8

1.2.1 Identifikasi Masalah ........................................................................... 8

1.2.2 Pembatasan Masalah ......................................................................... 9

1.3 Perumusan Masalah ................................................................................ 9

1.4 Tujuan Penelitian .................................................................................. 10

1.5 Manfaat Penelitian ................................................................................ 10

BAB II LANDASAN TEORI ............................................................................. 12

2.1 Tinjauan Teori ......................................................................................... 12

2.1.1 Teori Sinyal (Signalling Theory) ...................................................... 12

2.1.2 Teori Keagenan ................................................................................. 13

2.1.3 Teori Relevansi Informasi Akuntansi ............................................. 14

2.1.4 Saham ................................................................................................ 15

2.1.4.2 Pengertian Saham ....................................................................... 15

2.1.4.3 Jenis-Jenis Saham ....................................................................... 16
2.1.5 Harga Saham ................................................................. 17
  2.1.5.1 Pengertian Harga Saham ........................................ 17
2.1.6 Nilai Saham ........................................................................ 20
2.1.7 Laporan Keuangan ............................................................. 20
  2.1.7.1 Pengertian Laporan Keuangan ..................................... 20
  2.1.7.2 Tujuan Laporan Keuangan ........................................ 21
2.1.8 Rasio Keuangan ............................................................... 22
  2.1.8.1 Pengertian Rasio Keuangan ....................................... 22
  2.1.8.2 Penggolongan Rasio Keuangan ................................. 22
2.2 Hasil Penelitian Terdahulu .................................................... 33
2.3 Hubungan Antar Variabel ....................................................... 40
2.4 Hipotesis ........................................................................... 41
2.5 Model Penelitian ................................................................. 42

BAB III METODOLOGI PENELITIAN ........................................ 43
3.1 Desain Riset .......................................................... 43
3.2 Jenis dan Sumber Data ...................................................... 43
  3.2.1 Jenis Data .............................................................. 43
  3.2.2 Sumber Data .......................................................... 44
3.3 Populasi, Sampel, dan Teknik Pengambilan Sampel .................. 44
  3.3.1 Populasi ............................................................... 44
  3.3.2 Sampel ................................................................. 45
  3.3.3 Teknik Pengambilan Sampel ....................................... 46
3.4 Unit Analisis ................................................................. 47
3.5 Definisi Operasional Variabel ........................................... 47
  3.5.1 Variabel Dependen .................................................. 47
  3.5.2 Variabel Independen ................................................ 48
3.6 Teknik Analisis Data ....................................................... 49
  3.6.1 Analisis Statistik Deskriptif ...................................... 50
  3.6.2 Uji Asumsi Klasik .................................................. 50
BAB IV HASIL PENELITIAN DAN PEMBAHASAN ........................................... 55

4.1 Statistik Deskriptif .................................................................................. 55
4.2 Hasil Penelitian ........................................................................................ 57
4.2.1 Hasil Statistik Deskriptif .................................................................... 57
4.2.2 Uji Asumsi Klasik ............................................................................ 61
4.2.3 Uji Regresi Linier Berganda ............................................................. 67
4.2.4 Uji Hipotesis ........................................................................................ 69
4.3 Pembahasan ............................................................................................... 73
4.3.1 Pengaruh Debt to Equity Ratio dan Price Earning Ratio terhadap Harga Saham Perusahaan secara Simultan .... 73
4.3.2 Pengaruh Debt to Equity Ratio terhadap Harga Saham secara Parsial ................................................................. 74
4.3.3 Pengaruh Price Earning Ratio terhadap Harga Saham secara Parsial ................................................................. 75
4.4 Temuan Penelitian .................................................................................... 76
4.5 Keterbatasan Penelitian .......................................................................... 77

BAB V KESIMPULAN DAN SARAN ............................................................ 79
5.1 Kesimpulan ............................................................................................. 79
5.2 Saran ........................................................................................................ 80
