ABSTRACT

Title : Effect of Advertisement and Electronic Word Of Mouth on Purchase Intention With Brand Awareness For Variabel Intervening on the Shopee Online Site

Name : Antoni Nur Rizki

Study Program : Business Management, Bachelor Degree Program

The purpose of this study was to determine the effect of Advertising and Electronic Word Of Mouth on Purchase Intention with Brand Awareness mediators on the Shopee online site. This study uses the method of validation test, reliability test, path analysis, F test and t test, with the sampling technique using purposive sampling with the number of respondents as many as 135 people. The results of this study that there is an influence between advertising and electronic word of mouth variables on brand awareness and the direct influence between advertising variables and purchase intention without the need to be mediated, while electronic word of mouth variable does not have a direct influence on purchase intention so it must go through the brand awareness variable as a mediating variable

Keywords :

Advertising, Electronic Word Of Mouth, Brand Awareness, Purchase Intention
