DAFTAR GAMBAR ............................................................................................... vi
BAB I PENDAHULUAN ....................................................................................... 1
  I.1 Latar Belakang ............................................................................................... 1
  I.2 Rumusan Masalah .......................................................................................... 7
  I.3 Tujuan Penelitian .......................................................................................... 7
  I.4 Manfaat Penelitian ....................................................................................... 7
  I.5 Sistematika Penulisan ................................................................................... 8
BAB II TINJAUAN PUSTAKA ............................................................................. 10
  II.1 Kerangka Teori ........................................................................................... 10
  II.2 Operasionalisasi Variabel .......................................................................... 28
  II.3 Kerangka Pemikiran .................................................................................. 31
BAB III METODOLOGI PENELITIAN ............................................................. 32
  III.1 Desain Penelitian ....................................................................................... 32
  III.2 Populasi dan Sampel ................................................................................ 33
  III.3 Bahan Penelitian dan Unit Analisis .......................................................... 35
  III.4 Teknik Pengumpulan Data ........................................................................ 35
  III.5 Validitas dan Reliabilitas Alat Ukur ......................................................... 36
III.6 Teknik Analisis Data .................................................................39
BAB IV HASIL PENELITIAN ..........................................................41
IV.1 Subjek Penelitian .................................................................41
IV.2 Hasil Penelitian .................................................................47
IV.3 Pembahasan .................................................................55
BAB V PENUTUP ........................................................................59
V.1 Kesimpulan .................................................................59
V.2 Saran .................................................................................61
