BAB I PENDAHULUAN

1.1 Latar Belakang Masalah .......................................................................................................................... 1
1.2 Identifikasi Masalah dan Pembatasan Masalah ...................................................................................... 10
  1.2.1 Identifikasi Masalah .................................................................................................................... 10
  1.2.2 Pembatasan Masalah .................................................................................................................. 10
1.3 Rumusan Masalah ................................................................................................................................... 10
1.4 Tujuan Penelitian .................................................................................................................................... 11
1.5 Manfaat Penelitian .................................................................................................................................. 11

BAB II TINJAUAN PUSTAKA

2.1 Landasan Teori ......................................................................................................................................... 13
  2.1.1 Teori Stakeholder ......................................................................................................................... 13
     2.1.2 Teori Legitimasi ....................................................................................................................... 13
     2.1.4 Teori Kontrak Sosial ............................................................................................................... 14
BAB III METODE PENELITIAN

3.1 Desain Penelitian ................................................................. 46
3.2 Jenis dan Sumber Data.............................................................. 46
   3.2.1 Jenis Data ........................................................................ 46
   3.2.2 Sumber Data .................................................................... 46
3.3 Populasi, Sampel, dan Teknik Pengambilan Sampel.................. 46
   3.3.1 Populasi ........................................................................ 46
   3.3.2 Sampel ........................................................................... 47
   3.3.3 Teknik Pengambilan Sampel ............................................. 48
3.4 Unit Analisis .................................................................49
3.5 Definisi Oprasional Variabel ........................................49
  3.5.1 Variabel Independen (X) ..........................................49
    3.5.1.1 Profitabilitas (X1) ...........................................49
    3.5.1.2 Leverage (X2) ...............................................50
    3.5.1.3 Ukuran Perusahaan(X3) ....................................50
  3.5.2 Variabel Dependen (Y) .............................................50
3.6 Teknik Analisis Data .....................................................51
  3.6.1 Analisis Statistik Deskriptif ......................................51
  3.6.2 Uji Asumsi Klasik ...............................................51
    3.6.2.1 Uji Normalitas Data .......................................52
    3.6.2.2 Uji Multikolinearitas ......................................52
    3.6.2.3 Uji Heteroskedastisitas ....................................52
    3.6.2.4 Uji Autokorelasi ...........................................53
  3.6.3 Analisis Regresi Linier Berganda ..................................53
  3.6.4 Uji Hipotesis .......................................................54
    3.6.4.1 Uji Simultan (Uji Statistik F) ...........................54
    3.6.4.2 Uji Parsial (Uji Statistik t) ...............................54
    3.6.4.3 Koefisien Determinasi $R^2$ ..............................54

BAB IV HASIL PENELITIAN
  4.1 Hasil Penelitian .....................................................55
    4.1.1 Statistik Deskriptif ............................................56
    4.1.2 Uji Normalitas Data ...........................................57
    4.1.3 Uji Asumsi Klasik .............................................57
    4.1.3.2 Uji Multikolinearitas ......................................58
    4.1.3.3 Uji Autokolerasi ..........................................59
    4.1.4 Uji Regresi Linier Berganda .................................60
    4.1.5 Uji Hipotesis ....................................................61
      4.1.5.1 Uji F(simultan) .........................................62
      4.1.5.2 Uji T(Parsial) ...........................................63
      4.1.5.3 Uji koefisien determinasi (R) ..........................64
BAB V PEMBAHASAN

5.1 Pembahasan Penelitian .................................................................65

5.1.1 Pengaruh Profitabilitas, Leverage Dan Ukuran perusahaan terhadap Corporate Social Responsibility.........................65

5.1.2 Pengaruh Profitabilitas Terhadap Corporate Social Responsibility ........................................................................65

5.1.3 Pengaruh Leverage Terhadap Corporate Social Responsibility .............................................................................65

5.1.4 Pengaruh Ukuran Perusahaan Terhadap Corporate Social Responsibility ..........................................................66

5.2 Temuan Penelitian ........................................................................66

5.3 Keterbatasan Penelitian .................................................................67

BAB VI PENUTUP

6.1 KESIMPULAN .................................................................................68

6.2 SARAN ...............................................................................................68
