DAFTAR SINGKATAN ................................................................................ xiv
BAB I .......................................................................................................... 1
PENDAHULUAN .......................................................................................... 1
  1.1. Latar Belakang .................................................................................. 1
  1.2. Rumusan Masalah .......................................................................... 3
  1.3. Tujuan Penelitian .......................................................................... 3
  1.4. Manfaat Penelitian ........................................................................ 4
BAB II ....................................................................................................... 5
TINJAUAN PUSTAKA .................................................................................. 5
  2.1. Landasan Teori .............................................................................. 5
    2.1.1. Rekam Medis ........................................................................... 5
    2.1.2. Analisis Kuantitatif ................................................................. 7
    2.1.3. Definisi Kematian ................................................................... 8
    2.1.4. Sertifikat Medis Penyebab Kematian ...................................... 9
BAB III ....................................................................................................... 15
METODE PENELITIAN ............................................................................ 15
3.1. Rancangan Penelitian ........................................................................................................... 15
3.2. Pencarian Literatur ............................................................................................................. 15
3.3. Kriteria Inklusi dan Eksklusi ............................................................................................ 15
3.4. Seleksi Studi dan Penilaian Kualitas .................................................................................. 16
3.5. Ekstraksi Data dan Sintesis ................................................................................................ 16
BAB IV ....................................................................................................................................... 17
HASIL PENELITIAN .................................................................................................................... 17
4.1. Hasil ........................................................................................................................................ 17
4.1.1. Karakteristik Data Literatur .............................................................................................. 17
4.1.2. Identifikasi Kelengkapan dan Keakurasian Sertifikat Medis Penyebab Kematian .......................................................... 21
4.1.3. Kendala Dalam Pengisian Sertifikat Medis Penyebab Kematian ................................. 24
4.2. Pembahasan .......................................................................................................................... 25
BAB V ....................................................................................................................................... 27
PENUTUP ................................................................................................................................. 27
5.1. Kesimpulan ............................................................................................................................ 27
5.2. Saran ..................................................................................................................................... 27
DAFTAR REFERENSI .................................................................................................................. 29
DAFTAR TABEL

Tabel 4.1 Hasil Penelitian Jurnal ................................................................. 17
Tabel 4.2 Standar Prosedur Operasional .................................................. 21
Tabel 4.3 Komponen Kelengkapan SMPK ................................................ 21
Tabel 4.4 Identifikasi .................................................................................. 22
