ABSTRACT

Jakarta Smart City is a government program which is the application of the smart city concept by optimizing the use of Information and Communication Technology (ICT). It aims to find out the strategy of the Jakarta Smart City Unit in the success of the City Branding "Jakarta Smart City" and knowing the obstacles of the Jakarta Smart City Unit in the success of the "Jakarta Smart City" City Branding. This study used a qualitative descriptive method with Type 2 (two) case study methods, namely Single Case Design and Multi Case Analysis, which studied was the Public Relations Strategy, the unit of analysis being studied, namely Public Relations and the people of Jakarta. This research was conducted systematically by taking 2 key informant research subjects, namely Mr. Raedi Fadil as the Head of the Jakarta Smart City Unit Communication Division and Mr. Hamdi as the Head of the Jakarta Smart City Unit Product Analysis Development Division. The result of the research is that the Jakarta Smart City Unit uses a Public Relations strategy which includes four elements, namely, fact finding, planning, communicating, and evaluating. The Jakarta Smart City Unit in making Jakarta Smart City a success is still in the process stage.

Keywords: *Public Relations Strategy, City Branding, Smart City*

ABSTRAK

Jakarta Smart City adalah program pemerintah yang merupakan penerapan konsep kota pintar dengan mengoptimalkan penggunaan Teknologi Informasi dan Komunikasi (TIK).
