DAFTAR ISI

LEMBAR PERSETUJUAN SIDANG ............................................................... i
HALAMAN PENGESAHAN ........................................................................ ii
UCAPAN TERIMA KASIH ........................................................................ iv

BAB I PENDAHULUAN .............................................................................
1.1 Latar Belakang ................................................................................... 1
1.2 Rumusan Masalah ............................................................................... 3
1.3 Tujuan Penelitian ............................................................................... 3
1.4 Manfaat Penelitian ............................................................................ 3
  1.4.1 Manfaat Teoritis ......................................................................... 3
  1.4.2 Manfaat Praktis ......................................................................... 3

BAB II TINJAUAN PUSTAKA .................................................................
2.1. Penelitian Terdahulu ....................................................................... 4
2.2. Komunikasi ...................................................................................... 6
  2.2.1 Unsur-unsur komunikasi ............................................................ 6
2.3 Tingkat Kepercayaan Konsumen ......................................................... 8
  2.3.1 Dimensi kepercayaan konsumen .............................................. 8
2.4 Komunikasi Pemasaran .................................................................... 9
  2.4.1 Tujuan komunikasi pemasaran ............................................... 10
  2.4.2 Bentuk-bentuk komunikasi pemasaran ................................... 10
2.5 Komunikasi Massa .......................................................................... 12
2.6 Media Baru ...................................................................................... 13
  2.6.1 Media sosial .............................................................................. 14
  2.6.2 Instagram ................................................................................ 14
2.7 Minat Beli ....................................................................................... 16
2.8 Uses and Gratification Theory ............................................................ 17
BAB II METODOLOGI PENELITIAN

3.1. Metode Penelitian ................................................................. 20
3.2. Objetif Penelitian ................................................................. 20
3.3. Sumber Data ........................................................................ 21
    3.3.1 Populasi ....................................................................... 21
    3.3.2 Sampel ......................................................................... 21
3.4. Operasional Variabel .............................................................. 22
3.5. Teknik Pengumpulan Data ..................................................... 24
    3.5.1 Metode Kuesioner ......................................................... 24
    3.5.2 Metode Dokumentasi ..................................................... 25
3.6. Validitas dan Reliabilitas Data ............................................... 25
    3.6.1 Validitas ....................................................................... 25
    3.6.2 Reliabilitas ................................................................. 27
3.7. Bahan Penelitian dan Unit Analisis ....................................... 28
3.8. Teknik Analisis Data ............................................................. 28

BAB IV HASIL PENELITIAN

4.1. Gambaran Objek Penelitian .................................................. 30
    4.1.1 Sejarah eSport dan Game Online di Indonesia .................... 30
    4.1.2 Sejarah Goodgaminshop ................................................. 31
    4.1.3 Logo Goodgaminshop .................................................. 31
4.2. Deskripsi Data Penelitian ...................................................... 31
    4.2.1 Data Responden .......................................................... 31
    4.1.2 Analisis Variabel X ....................................................... 33
    4.1.3 Analisis Variabel Y ....................................................... 36
BAB V PEMBAHASAN

5.1. Pembahasan .......................................................... 43
5.2. Perbandingan Penelitian Terdahulu ................................ 44

BAB VI PENUTUP

6.1. Kesimpulan Penelitian .............................................. 47
6.2. Saran Penelitian ...................................................... 48

DAFTAR BAGAN

2.1. Kerangka Pemikiran ................................................ 19

DAFTAR RUMUS

3.1 Rumus Taro Yamane .................................................. 22
3.2 Rumus *Pearson Product Moment* .................................. 26
3.3 Rumus *Alpha Cronbach* ........................................... 27

DAFTAR TABEL

2.1. Tabel Penelitian Terdahulu ........................................ 4
2.2. Tabel Operasional Variabel ......................................... 18
3.1. Tabel Hasil Uji Validitas Variabel X .............................. 26
3.2. Tabel Hasil Uji Validitas Variabel Y .............................. 26
3.3. Tabel Keterangan Hasil Reliabilitas .............................. 27
3.4. Tabel Hasil Uji Reliabilitas ........................................ 28
3.5. Tabel Kriteria Interpretasi Koefisien Korelasi ................... 29
4.1. Tabel Jenis Kelamin Responden .................................... 31
4.2. Tabel Usia Responden .............................................. 32
4.3. Tabel Frekuensi Responden Mengikuti ......................... 32
4.4. Tabel Respon Responden Pada Pernyataan No.1 ............... 33
4.5. Tabel Respon Responden Pada Pernyataan No.2 ............... 33
4.6. Tabel ResponResponden Pada Pernyataan No.3 ............................................. 34
4.7. Tabel Respon Responden Pada Pernyataan No.4 ............................................. 34
4.8. Tabel Respon Responden Pada Pernyataan No.5 ............................................. 35
4.9. Tabel Respon Responden Pada Pernyataan No.6 ............................................. 35
4.10. Tabel Nilai Mean Variabel X................................................................. 36
4.11. Tabel Respon Responden Pada Pernyataan No.1 ............................................. 36
4.12. Tabel Respon Responden Pada Pernyataan No.2 ............................................. 37
4.13. Tabel Respon Responden Pada Pernyataan No.3 ............................................. 37
4.14. Tabel Respon Responden Pada Pernyataan No.4 ............................................. 38
4.15. Tabel Respon Responden Pada Pernyataan No.5 ............................................. 38
4.16. Tabel Respon Responden Pada Pernyataan No.6 ............................................. 39
4.17. Tabel Respon Responden Pada Pernyataan No.7 ............................................. 39
4.18. Tabel Respon Responden Pada Pernyataan No.8 ............................................. 40
4.19. Tabel Nilai Mean Variabel Y................................................................. 40
4.20. Tabel Hasil Uji Reliabilitas Variabel X ....................................................... 41
4.21. Tabel Hasil Uji Reliabilitas Variabel Y ....................................................... 41
4.22. Tabel Hasil Uji Korelasi.............................................................................. 42
5.1. Tabel Perbandingan Penelitian Terdahulu ....................................................... 44

DAFTAR REFERENSI......................................................................................... 49
