**BAB I PENDAHULUAN** .......................................................... 1

1.1. Latar Belakang Masalah .............................................. 1
1.2. Identifikasi Masalah .................................................. 10
1.3. Pembatasan Masalah ................................................... 10
1.4. Rumusan Masalah ...................................................... 10
1.5. Tujuan Penelitian .................................................... 10
1.6. Manfaat Penelitian ................................................... 11

**BAB II LANDASAN TEORI** .................................................. 12

2.1. Tinjauan Teori .......................................................... 12
   2.1.1. Teori Sinyal *(Signalling Theory)* .................................. 12
   2.1.2. Teori Keagenan *(Agency Theory)* ................................... 13
   2.1.3. Teori Relevansi Informasi Akuntansi ............................. 13
   2.1.4. Saham ..................................................................... 14
2.1.4.1. Pengertian Saham ................................................................. 14
2.1.4.2. Jenis-Jenis Saham ............................................................... 15
2.1.5. Harga Saham ........................................................................ 17
  2.1.5.1. Pengertian Harga Saham .................................................... 17
  2.1.5.2. Jenis-Jenis Harga Saham ..................................................... 18
2.1.6. Laporan Keuangan ................................................................. 19
  2.1.6.1. Pengertian Laporan Keuangan ............................................ 19
  2.1.6.2. Tujuan Laporan Keuangan .................................................. 20
2.1.7. Rasio Keuangan ................................................................... 20
  2.1.7.1. Pengertian Rasio Keuangan ............................................... 20
  2.1.7.2. Penggolongan Rasio Keuangan .......................................... 21
2.2. Hasil Penelitian Sebelumnya ................................................... 26
2.3. Hubungan Antar Variabel ......................................................... 35
  2.3.1. Pengaruh Return on Equity, Debt to Asset Ratio dan Inventory
         Turnover terhadap Harga Saham ............................................... 35
  2.3.2. Pengaruh Return on Equity terhadap Harga Saham .................. 35
  2.3.3. Pengaruh Debt to Asset Ratio terhadap Harga Saham ................ 36
  2.3.4. Pengaruh Inventory Turnover terhadap Harga Saham ............... 36
2.4. Hipotesis .................................................................................. 36
2.5. Model Penelitian ...................................................................... 37

BAB III METODE PENELITIAN ......................................................... 38
3.1. Desain Penelitian .................................................................... 38
3.2. Jenis dan Sumber Data ............................................................ 38
   3.2.1. Jenis Data ........................................................................... 38
   3.2.2. Sumber Data ...................................................................... 38
3.3. Populasi, Sampel dan Teknik Pengambilan Sampel .................... 39
3.3.1. Populasi ........................................................................................................... 39
3.3.2. Sampel .............................................................................................................. 39
3.3.3. Teknik Pengambilan Sampel .......................................................................... 39
3.4. Unit Analisis ......................................................................................................... 40
3.5. Definisi dan Operasional Variabel ..................................................................... 40
3.6. Teknik Analisis Data ............................................................................................ 42
   3.6.1. Analisis Statistik Deskriptif ......................................................................... 42
   3.6.2. Uji Asumsi Klasik ....................................................................................... 42
      3.6.2.1. Uji Normalitas ....................................................................................... 43
      3.6.2.2. Uji Multikolinearitas ............................................................................ 43
      3.6.2.3. Uji Heteroskedastisitas ...................................................................... 43
      3.6.2.4. Uji Autokorelasi .................................................................................. 44
   3.6.3. Uji Hipotesis .................................................................................................. 44
      3.6.3.1. Uji F (Uji Simultan) ............................................................................ 44
      3.6.3.2. Uji T (Uji Parsial) ................................................................................ 45
      3.6.3.3. Uji Adjusted R² ................................................................................. 45
BAB IV HASIL PENELITIAN ...................................................................................... 47
4.1. Hasil Penelitian .................................................................................................... 47
   4.1.1. Deskriptif Objektif Data ............................................................................ 47
   4.1.2. Hasil Statistik Deskriptif ............................................................................ 47
4.2. Uji Asumsi Klasik ............................................................................................... 49
   4.2.1. Uji Normalitas ............................................................................................. 49
   4.2.2. Uji Multikolinearitas .................................................................................. 51
   4.2.3. Uji Autokorelasi ......................................................................................... 52
   4.2.4. Uji Heteroskedastisitas ............................................................................. 53
4.3. Analisis Regresi Berganda .................................................................................. 54
4.4. Uji Hipotesis........................................................................................................56
  4.4.1. Uji Signifikasi Simultan (Uji F)....................................................................56
  4.4.2. Uji Parsial (Uji T)........................................................................................57
  4.4.3. Analisis Koefisien Determinasi (Adjusted R²) .........................................58

BAB V PEMBAHASAN PENELITIAN ........................................................................59
  5.1. Pembahasan Hipotesis.......................................................................................59
    5.1.1. Pengaruh Return On Equity, Debt to Asset Ratio dan Inventory Turnover Ratio terhadap Harga Saham Secara Simultan ..........59
    5.1.2. Pengaruh Return On Equity terhadap Harga Saham ..............................60
    5.1.3. Pengaruh Debt to Asset Ratio terhadap Harga Saham .........................61
    5.1.4. Pengaruh Inventory Turnover Ratio terhadap Harga Saham.............62
  5.2. Temuan Penelitian.............................................................................................62
  5.3. Keterbatasan Penelitian....................................................................................63

BAB VI KESIMPULAN DAN SARAN......................................................................64
  6.1. Kesimpulan .....................................................................................................64
  6.2. Saran Penelitian .............................................................................................64
