At BTPN, we prepare the freshest ingredients just for you. Starting with our CHIIP program, designed for young talents to be full-stack chefs through extensive mentoring and competitive environment. These tech-savvies collaborated in groups to make a digital banking platform menu using the state-of-the-art technologies, methods, and tools world had to offer.

Adding a pinch of the industry's best practices, including spices from TDD, agile, and secret ingredients from our backyard.
