

ACKNOWLEDGEMENTS

Praise and gratitude of the author to the presence of the Almighty God because of His blessings and gifts. The author can complete all thesis activities and prepare a thesis properly. This thesis with title “Tour Guide and Helper Mobile Application for the Tourists that Came to Indonesia” has been prepared to obtain one of the requirements to get a bachelor’s degree in software engineering at Nanjing XiaoZhuang University and Informatics Engineering at Esa Unggul University. In the preparation of this thesis, there are several problems and obstacles that the author faces, but in the end, the author can get through it thanks to the guidance and assistance of various parties, both morally and spiritually. For this reason, on this occasion the author would like to thank:

1. My father and mother who have been supported in working and finishing this thesis.
2. Li Qing (李青) Laoshi as my advisor, who has provided time and thought to guide the author in completing each stage of the thesis work.
3. Mrs. Wangjing (王晶) and Mrs. Sophie Mou, who always take care of me while in Nanjing XiaoZhuang University.
4. All lecturer both in Nanjing XiaoZhuang University and Esa Unggul University, who is not mentioned one by one however not decrease respect from the author. Saying thank you very much because you give the author an important lesson and knowledge that very useful for author in the future.
5. To all my fellow classmates in Nanjing XiaoZhuang and Esa Unggul University, who endured this long process together and supporting each other.
6. Last but not least, those who cannot be mentioned one by one, who have supported me to finish this thesis.

The author realized that this thesis is far from perfect because it has limited time and knowledge of the author. Therefore, all constructive criticism and suggestions are highly expected. Finally, I hope this thesis can be useful for everyone.

Jakarta, June 2021
