

ACKNOWLEDGMENTS

Praise and thank God for all His blessings and blessings for giving health, opportunity, and knowledge to the author so that the author can complete this thesis properly in order to fulfill one of the requirements for obtaining a bachelor's degree in a double degree program at Nanjing Xiaozhuang University and Esa Unggul University. As for the title of this thesis is: *“Web Based Application For Tourism in North Sumatra”*

With the completion of this thesis, I hope this thesis can be useful for readers in general and also writers in particular and all interested parties. I also hope that this thesis can be developed so that it can be used to support the development of readers' knowledge.

The author realizes that there are still many shortcomings of this thesis so that in the process of making this thesis many parties help either directly or indirectly. Therefore, the author would say thank you and highest appreciation to:

2. My Lord Ganesha who has given His blessings and miracles throughout the life of the author, especially in the process of completing this thesis. Thank you for all the admonitions and warnings that continue to be given so that this thesis can be completed properly.
3. My advisor, Li Ying Laoshi, who helped me to write this thesis well, and helped me to complete this thesis. I'm so thankful to have advisors who can guide me and support me through this completion of the thesis
4. All the best professors and lecturers at Nanjing Xiaozhuang University and Esa Unggul University who always provide important knowledge that will always be useful to me in the future. Thank you, I will remember your kindness and patience.
5. My Super Parents, who always encourage me to do better, always support me in any situation and make me motivated to complete this thesis. Thank you for everything, especially for the priceless lessons. I promise I will make you proud of me. My sisters who always support me.
6. My Big Family, Patti, Mami Roja, aunts and uncle, brothers and sisters who always support me and others that the authors cannot mention one by one.
7. Mrs. Sophie Mou who always gives us advice and always helps us during the study until the end of the study. Thank you for helping me and my friends in Nanjing for half a year. We will miss you, Mrs. Sophie Mou.
8. My friends, the Fadilla Family, and the KIGS Family (IT 2017) thank you for always helping each other and supporting each other's difficulties in going through this long process. So happy to meet and make friends with all of you.
9. My friend Elfira Pipit, who is always loyal to give me advice, help, guide me to be even better, is always there when I need it. Thank you, dear, I wish you more success in life.
10. Last but not least, those who I can't mention one by one, without decreasing my gratitude, I feel

thankful for everyone who has helped me and support me to finish this thesis..

May God bestow a better blessing on all of those mentioned above, and may all their sacrifices become a practice to help them achieve successful lives in the future. The author has tried as much as possible to complete this thesis, but the author realizes that this is still far from perfect, therefore constructive criticism and suggestions are expected for the author. Hopefully, this work can be useful for all of us.
