

## ACKNOWLEDGMENT

Praise and gratitude for the presence of God who is almighty Allah SWT, for his blessings so that it can provide opportunities and knowledge to the author so that he can complete the final thesis research assignment entitled "Design and Implementation Mountaineering System Based on Android". This study was structured as a prerequisite for completing lectures and obtaining a bachelor's degree in the author's double degree program at Esa Unggul University and Nanjing Xiaozhuang University. With the completion of this thesis, I hope this thesis can be useful for writers and readers as well as all interested parties. The author hopes that this thesis can be developed again in the future, so that it can be useful in helping facilitate activities in everyday life.

In preparing this thesis, of course the writer faces several obstacles. But in the process of writing and developing the system that is carried out, of course there are many parties who help and encourage the writer to be able to complete the research smoothly. The author will not be able to complete this thesis properly without the support and guidance of those who have helped a lot. Therefore, the authors would like to express our gratitude and highest appreciation to:

1. Parents and the whole family who always encourage and give confidence in me to continue to do my best, motivate and provide full support for everything I have done and faced so far.
2. Senior Experimentalist Chen Chang Wei (陈长伟) as my advisor who has a big contribution for helping me to write this thesis from beginning until I can complete all of my final thesis. I am lucky to have a mentor like him.
3. Professor Qing Li (李青) as my lecturers and advisors who has provided guidance and encouragement in the preparation of this thesis.
4. All the lecturers and lecturers from my two campuses, Esa Unggul University and Nanjing Xiaozhuang University that I cannot mention one by one, have provided a lot of knowledge and guidance to me during this lecture. Thank you very much for all the knowledge and lessons from them all.
5. Mrs. Sophie Mou as a substitute for our mother while in Nanjing and in Indonesia who has helped a lot in various things. Give a lot of support to me and other friends. I say thank you very much for all of his hard work so far.

6. Boyolali District Government which has provided the opportunity for writers to get a full scholarship to study for 4 years. Doing a double degree program and has also provided all the facilities for me so far.
7. Muhammad Erska Arkhab who always helps and supports me in all situations and conditions. Give full support and motivate me in everything.
8. Efrida, Dinda and Elfia as IT Boyolali comrades who for the past 4 years have been fighting together with me, helping and supporting me in everything. I am grateful for their presence as comrades in arms.
9. Fadilla's family and IT friends from the Esa Unggul campus. who have always supported and helped me all this time.
10. Boyolali Double Degree friends who have always helped, supported, have been overseas comrades and my second family so far.
11. Amalia, and Novia, my roommates who always gave their full support and also accompanied me every day for the past 4 years. Become a place to tell stories and always be friends in all conditions.
12. Finally without exception all parties that cannot be mentioned one by one who have helped and motivated the author to complete this research.

Hopefully, God always blesses those, and all their sacrifice become their merciful deed to help them achieve a successful career and life in the future. The author has tried her best to be able to complete this thesis, but the author also realizes that this is still not perfect. Therefore further advice and suggestions are expected for the author.

Boyolali, 30<sup>th</sup> May 2021
