

ACKNOWLEDGMENT

In the name of my god Allah SWT, the Most Gracious and the Most Merciful. Alhamdulillah rabbil'alamin, all praises to Allah SWT. Thank Allah SWT for always strengthening and blessing me, especially in my research work, so that I could complete this thesis entitled "Analysis The Effect of Net Exports and The Exchange Rate on Indonesia's Foreign Exchange Reserves in 1990-2020" as a partial fulfilment of the requirements to obtain bachelor degree in International Trade from International Program, Faculty of Economics, School of Business, Nanjing Xiaozhuang University. Greetings upon our beloved Prophet Muhammad SAW and upon his family, companions, and sincere followers.

I realize that, in completing my thesis, it is not only a result of my effort but also with the support and encouragement of people around. With respect and regards, I would like to express my appreciation to:

1. Liang Jing Laoshi, as my thesis advisor who always helps and guides me in completing my thesis, and advises me to do proper research.
2. All professors, lecturers, and staff of Nanjing Xiaozhuang University who always keeps helping, guiding, and even providing all that I need in completing my study.
3. Mrs. Sophie Mou, who never feels tired helping all Indonesian students in Nanjing Xiaozhuang University.
4. My beloved parents, who keep praying for me all the time, who are always respecting my views and choices, always supporting whatever my decision is, always reminding me to never give up, and always instilling to priorities kindness above all. My brother, who always keep supporting and motivating me when my motivation begins to decline, so I return in immediately completing the thesis. All my family, who I could not mention their names for always praying for me and supporting me.
5. My Boyfriend and all my friends both Chinese and Indonesian, who always keep supporting me and pushing me to improve myself to be a better person.
6. All people I could not mention who take part in my journey of life until now. May Allah SWT give us blessings and accept our good deeds. I also hope that this research will provide positive contributions and improvements in the present and the future.
