

ACKNOWLEDGMENT

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Assalamualaikum Warrahmatullahi Wabarakatuh

All praise and gratitude to Allah SWT who has bestowed His grace and gifts on the author, so that the author can complete this thesis. Shalawat and also greetings are always poured out to our Lord, Prophet Muhammad SAW, who saves people from darkness to bright time. Alhamdulillahirabbil'amin, the thesis which entitled **"ANALYSIS FACTORS AFFECTING THE VOLUME OF INDONESIAN SHRIMP EXPORT TO USA DURING 1989-2020"** as a partial requirement to obtain the bachelor degree in Accounting International Department, Faculty of Economics, Universitas Esa Unggul and in Management Economics Department, Faculty of Economics and Business, Nanjing Xiaozhuang University is finally finished.

The author realizes that this cannot be resolved without supporting parties both morally and materially. Thus, the authors would like to thank those who have helped the author in the preparation of this thesis, in particular:

1. Allah Subhanahu Wa Ta'aala for His endless blessings and guidance, for granting me the patience, for giving me this beautiful life, this experience of joy, pain, sadness, so that there is nothing left I could ask for more.
2. Our Prophet Muhammad Sallāhualaihiwasallam, who has delivered Allah teaching and who has established the conditions for the awakening and enlightenment of humanity, both individually and collectively, also lead us to the brightness of Islam.
3. My beloved parents, Sri Preyetno and Sukarti, endless thanks and love, for all of the prayer, kindness, the up-and-down journey and all of the things you have sacrificed for me.
4. Silfia Nurul Ariyani and Natasya Rahma Kurniawati, my two-best sister. Thank you for being a good sister, thanks for being reliable when needed, and the call every week.
5. Zhao Xing, as my thesis advisor who always help and guide me to do the writing step by step, who always give me constructive advices, idea, inspiration and his share her knowledge and lessons in completion of this thesis. I found some struggles in my research, but you always give me your best suggestion in

taking a decision. Thank you Laoshi for your kindness.

6. Sophie Mou, as our counselors who always take care of us when we study abroad so that we can study smoothly
7. All the lecturer of Management and the Accounting Department, Faculty of Economics, Nanjing Xiaozhuang University, and Esa Unggul University, who had taught me many things, thank you for every discussion during and outside the classes, for the knowledge and experiences taught to me. Thank you for the knowledge and wonderful experiences.
8. The director of the International Program Esa Unggul University, the head of Business and Economics Department Esa Unggul University, also Boyolali district government, Mrs. Ning and Mr. Darmanto from the Boyolali District Education and Culture Office and Mr. Seno Samodro as the former Boyolali Regent for providing me the opportunity to take Double Degree Program and for facilitating me in Nanjing Xiaozhuang University and Esa Unggul University.
9. Andre Frans, Alivian, Haikal, Amara Sagno as my best friends who always help me in any problem, and all the classmates of Economic class 2017 that always supporting each other and fighting together. Thank you for the wonderful journey and friendships.
10. Thank you for the experience and help. All my lovely Management, IT and, Mandarin Business friends at NXU 2017, IMIX big family, seniors and juniors at NXU, May Allah give you a wonderful life, good luck for your study, see you on top!
11. Annisa Nurul Latifah, my 24 hours partner in everything. You are always a good listener for every problem I faced. Your opinions never stop surprise me and also allow me to see my problem from a different angle.
12. All the parties who have helped in the process of writing this essay that cannot authors mention one by one.

The author realizes that the thesis that the author has made is far from perfect because of the limited knowledge and experience that the author has. Therefore, expect suggestions and criticism from various parties. Hopefully, this thesis can be useful for readers and parties, especially in the field of economic management. Amin.

Wassalamu'alaikum Warrahmatullahi Wabarakatuh
