

ACKNOWLEDGMENT

In the name of Allah The Most Gracious and The Most Merciful. First and foremost, all praises and thanks to Allah, for His mercy and guidance. It is only his help that enable me to complete this research despite my limitations and problems we might during COVID-19 pandemic. Peace and prayers always be upon for the Prophet, Muhammad, the ideal role of human beings who has bring us from the darkness into the lightness, and from the stupidity to cleverness.

I would like to express my gratitude to my family members: my parents Agus Zulkarnaen S.E and Netty Elvira Motiek also to my old brother drg. Dwiki Ramadhan and my old sister Annisa Safitri S.KM, M.ARS also my brother in law dr. Satrio Fadlullah , my niece Farzana Azkadina Makka also all my big family especially my cousins Ichsan Zulfikar and Naufal Kamil that give me spirit and push me until this research finished.

I also would like to express thank and gratitude to all my friends that support me during the difficult time due to COVID-19 pandemic. Especially for Maiziah Azka Nurhakim that always give me advice and support to come out from difficult time. Also many other friends that can't be mentioned one by one.

During the campus life, I would like to thank:

1. To all lectures and staff in Esa Unggul University.
2. To all my friends in campus, especially to my friends in my majors at Nanjing Xiaozhuang University.
3. To all my friends in International Trade majors at Nanjing Xiaozhuang University.
4. To my roommate in dormitory Mohamed Doumbouya.
5. And all parties that can't be mentioned one by one.

In the thesis writing, I would like to express thank and gratitude to:

1. NiZhen Laoshi as my supervisor that always response me when im in confused and also his guidance to me that can make this research completed properly.
2. Wang Jing Laoshi who always take care of international students in Nanjing Xiaozhuang University.
3. Sophie Mou Laoshi who always take care of international students in Nanjing Xiaozhuang University.
4. Dr. Haiyong Wu, that always push me with questions and push me to make a good journal in the last semester.

Hopefully, this research can be useful for the writers and readers in general. Along with the completion of this research, the author hopes this research could be beneficial for the others and could be developed for the better in the future.
