## ABSTRAK

*Mobile Legends Bang Bang* merupakan game online berbasis *Multiplayer Online Battle Arena*(MOBA) yang dirilis oleh Moonton pada tahun 2016 lalu. Game ini banyak diminati oleh masyarakat Indonesia, terutama kaum remaja. *Gameplay* dari permainan ini adalah kerjasama untuk menghancurkan *base* lawan untuk meraih kemenangan. Keseruan yang ditawarkan selama permainan, karakter-karakter unik dengan kemampuannya masing-masing, serta mekanisme permainan yang cukup mudah dipelajari menjadi beberapa faktor mengapa *Mobile Legends* cukup banyak diminati, terutama pada kaum remaja yang cenderung gemar bermain game.

Sejak perilisannya, sudah banyak turnamen *Mobile Legends* yang diadakan di berbagai daerah Indonesia baik dalam skala kecil sampai skala besar atau kerap disebut dengan MPL. Penelitian ini bertujuan untuk merancang sebuah turnamen *offline*(peserta yang langsung berada di area turnamen) *Mobile Legends* berskala kecil yang akan diadakan di Universitas Esa Unggul, Jakarta Barat. Turnamen *offline* *Mobile Legends Bang Bang* ini direncanakan akan disponsori oleh salah satu *brand smartphone* bernama Infinix.

Kata Kunci: *Mobile Legends*, turnamen

## ***ABSTRACT***

*Mobile Legends Bang Bang is an online game based on Multiplayer Online Battle Arena (MOBA) released by Moonton in 2016. This game is in great demand by Indonesians, especially teenagers. The gameplay of this game is cooperation to destroy the opponent's base to achieve victory. The excitement that is offered during the game, the unique characters with their respective abilities, and the game mechanics that are quite easy to learn are some of the factors why Mobile Legends is quite in demand, especially among teenagers who tend to like to play games.*

*Since its release, there have been many Mobile Legends tournaments held in various regions of Indonesia, both on a small to large scale or often referred to as MPL. This study aims to design a small-scale Mobile Legends offline tournament (participants who are directly in the tournament area) which will be held at Esa Unggul University, West Jakarta. The offline tournament for Mobile Legends Bang Bang is planned to be sponsored by a smartphone brand called Infinix.*
