

Praise and gratitude for the presence of God Almighty for the blessings of His grace and love so that the author can complete the thesis entitled "Indonesian EFL pre-service teachers' critical thinking practice in English instruction".

The purpose of writing this thesis is to fulfil part of the requirements for obtaining a Bachelor of Education (S.Pd) for undergraduate students at the Universitas Esa Unggul, English Education Study Program. The author realizes that this thesis is still far from perfect, therefore the author expects constructive criticism and suggestions from all parties for the perfection of this thesis.

The completion of this thesis is inseparable from the help of many parties, so that on this occasion with all humility and respect the author would like to thank all those who have provided moral and material assistance, either directly or indirectly in the preparation of this thesis until finished, especially to whom I respect:

1. My parents and younger siblings who always give love, prayer, direction, motivation, and support both morally and materially.
2. Dr. Harlinda Syofyan, S.Si., M.Pd as Dean of the Faculty of Teacher Training and Education.
