

ACKNOWLEDGMENTS

Praise and thank God for all his blessings for giving opportunity, knowledge, also health to the author so that the author can complete this thesis properly in order to fulfil one of the requirements for obtaining a bachelor's degree in double degree program at Nanjing Xiaozhuang University and Esa Unggul University. As for the title of this thesis is *"Implementation of Online Web Based Commerce System for Frozen Food order"*. With the completion of this thesis, I hope this thesis can be useful for all the readers and also writers in particular and all interested parts. I also hope that this thesis can be developed so it can be used to support the development of people's knowledge. The author realizes that there are still many shortcomings of this thesis. Therefore, the author would say thankyou and highest appreciation to:

1. Jesus Christ, who has given his blessings throughout the life of the author, especially in the process of completing this thesis. Thank you for the guidance and assistance, finally this thesis can be done and completed properly.
2. My advisor, Ni Zhen Laoshi, who helped me to write this thesis well, and helped me to complete this thesis. I'm so grateful to have advisors who can know me so well and give the best advices to me through the completion of this thesis.
3. All of the professors and lecturers at Nanjing Xiaozhuang University and Esa Unggul University, who always provide useful knowledge that will always be useful for me in the future.
4. My mom, who always pray for the best for me and always support me to always be enthusiastic in doing this thesis until finally I can finish this thesis.
5. Mrs. Sophie Mou, who always gives us advice and always helps us during the study until the end of the study. Thankyou for helping me and my friends during our college in Nanjing Xiaozhuang University for almost 2 years.
6. My friends, thankyou for always helping me and supporting me during the process of completing this thesis. I'm so happy to meet all of you in my life.
7. Last but not least, those who I can't mention one by one, I feel thankful for everyone who has helped me and support me to finish and complete this thesis.

May God give very much blessings on all of those mentioned above, and may all their kindness become a practice to help them achieve successful lives in the future. The author has tried as much as possible to complete this thesis, but the author realizes that this is still far from perfect. Hopefully, this thesis can be useful for all of us.
