

FOREWORD

Praise and gratitude the author prays for the presence of God Almighty for giving His blessings and gifts, so that the author can complete this final Thesis well. The title of writing the final Thesis report that the author presents is: "Classification of Lung Diseases Using the Inception V3 Model" can be completed on time.

This final Thesis report is presented to fulfil one of the mandatory requirements for students to complete the undergraduate program (S-1) and achieve a bachelor's degree in Computer Science at the Informatics Engineering Program at Esa Unggul University.

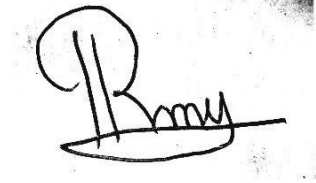

On this occasion, the writer would also like to thank various parties who have provided support, guidance, and cooperation in compiling this Final Thesis, because without their support the preparation of this Final Thesis would not have been achieved. Therefore, the author would like to thank:

1. Dr. Vitri Tundjungsari, ST, M.Sc. as Dean of the Faculty of Computer Science, Esa Unggul University.
2. Dr. Nenden Siti Fatonah, S.Si, M.Kom Deputy Dean of the Faculty of Computer Science, Esa Unggul University.
3. Mr. Muhamad Bahrul Ulum, S.Kom , M,Kom. as the Head of Informatics Engineering Study Program at Esa Unggul University.
4. Bapak Habibullah Akbar, S.Si., M.Sc., Ph.D. as the author's Advisor in completing the Final Thesis.
5. All Lecturers and Staff of the Faculty of Computer Science, whose names cannot be mentioned one by one.
6. the author's parents who always provide motivation, support and prayers to the author, so that the author can complete the final Thesis.
7. Friends who have provided support, advice, motivation and enthusiasm to the author in completing the Final Thesis.
8. The author's friend who has helped the author in providing information related to the writing of the Final Thesis Report.
9. Friends from the study program whose names cannot be mentioned one by one, who have helped in providing information in the Final Thesis.
10. DANA Indonesia who has given experience and happiness in completing the Final Thesis.
11. And Last, I Want to Say Thank to me.

The author realizes that this Final Thesis still has shortcomings, therefore the author hopes for input and suggestions in the writing and development can still be done for the improvement of what the author made.

The Final Word, I hope that this Final Thesis can provide benefits and increase knowledge for various parties who read this Final Thesis.
