

ACKNOWLEDGEMENTS

Praise and gratitude the author prays to the presence of the Almighty God, Allah SWT., for His blessings and grace and who has been giving health and long life up to this moment so that the author can complete the thesis entitled “Implementation of Design Thinking Method in UI/UX Redesign of Public Complaint Application (Case Study: Go Siaga App)”. This thesis is one of the requirements for obtaining the Bachelor Degree of Computer Science (S.Kom) at Esa Unggul University, Faculty of Computer Science, Informatics Engineering Study Program.

The author would like to thank

1. the parents, Giyanto and Sri Atmini, and the author’s elder sister, Niken Rizka Pratiwi, the author’s adoptive grandmother, Sumitri, and the author’s aunt, Maniyem. who have helped motivate and provide prayers so that the author became enthusiastic to work on this thesis,
2. Dr. Ir. Arief Kusuma A.P., MBA, IPU, as the chancellor of Esa Unggul University,
3. Dr. Vitri Tundjungsari, ST, M. Sc, as the dean of Faculty of Computer Science, Esa Unggul University,
4. Muhamad Bahrul Ulum, S.Kom, M.Kom, as the head of Informatics Engineering Program, Faculty of Computer Science, Esa Unggul University, as the author’s supervisor who has provided many directions and inputs in preparing this thesis,
5. Kasat Binmas of Central Jakarta Metro Police, Kompol Yulies Andri Pratiwi, S.I.K, as the initiator or the founder of Go Siaga and a resource person for information about the Go Siaga application,
6. all the author’s supportive friends who have been there for the author before, during, and after making this thesis,
7. all lecturers and staff of the Faculty of Computer Science so that these bureaucratic affairs of this thesis had been completed.

The author realizes that in making this thesis, there are still many shortcomings. Therefore, the author needs suggestions and constructive criticism to reduce errors in writing the thesis so that the author can complete the writing of this thesis. In the end, the author hopes that this thesis can provide benefits in order to contribute in social innovations.
