

ACKNOWLEDGEMENTS

Laudatory and grateful The author implores God Almighty to provide His favor and gifts so that the author may finish the thesis entitled "Front-End Development For Sports Venue Booking."

On this occasion, the author would also like to express gratitude to a number of individuals and organizations for their assistance in the production of this Thesis. Thus, the author would like to express gratitude to:

- 1) Mrs. Dr. Vitri Tundjungsari, ST, M.Sc., as Dean of the Faculty of Computer Science.
- 2) Mr. M. Bahrul Ulum, S. Kom., M. Kom., as Ka., Informatics Engineering Study Program, Faculty of Computer Science.
- 3) Mr. Drs. Holder Simorangkir, M.Kom, is a Material Advisor who has spent a lot of time providing guidance and direction to the author in completing this Thesis.
- 4) To all the lecturers who have shared their valuable knowledge and experience during the lectures
- 5) To the Faculty of Computer Science staff, whose names I cannot mention one by one
- 6) To all friends of the Big Family of the Faculty of Computer Science, especially Class 2018. Thank you for your support and assistance.
- 7) To the parents and siblings who always provide motivation, support, and prayers to the author so he can complete this final project.

Because the author is simply a regular person, mistakes will inevitably be made. Along with this final project, the author also seeks feedback from the reader in the form of comments or recommendations that will allow them to improve in the future. Finally, I hope that all who read this thesis will gain information and profit from it.
