Title : *The Role of Public Relations of the Ayo Mengajar Indonesia Foundation in Building Relationships with Volunteers*

*As an organization engaged in community service, Ayo Mengajar Indonesia certainly has a public relations function whose role is to establish and maintain good relations with its stakeholders. This research is motivated by the problems that occur in the placement of volunteers, using descriptive qualitative research methods with analysis of the role of public relations in the Dozer & Broom model. The results of this study reveal that Ayo Mengajar Indonesia's Public Relations has carried out its role as an Expert Advisor (Expert prescriber), Communication facilitator (Communication facilitator), Problem solving process facilitator (Problem solving process facilitator), Communication technician (Communications technician), of the four public relations roles, Ayo Mengajar Indonesia's Public Relations performs its role more dominantly as an Expert prescriber.*
