

ACKNOWLEDGEMENT

Alhamdulillah rabil 'alamin, I would like to express my highest gratitude to Allah Subhanahu Wa Ta'ala and Prophet Muhammad Sallallahu Alaihi Wasallam for mercy, love, opportunity, and health to complete this thesis.

In arranging this thesis, a lot of people have provided motivation, advice, and support for me. In this valuable chance, I am intended to express my gratitude and appreciation to all of them. First, my deepest appreciation goes to my beloved parents, my mother Mrs. Hj. Royati for the endless love, prayer, and reminding me to keep going, and my father Mr. H.Suriyo for always support, giving me advice and reminding me to never give up.

I would like to take this chance to sincerely thank my supervisor, Mr. Imam Santosa, S.Pd., M.Pd for his guidance, patience, and support. I would like to thank the Dean of the Faculty of Teacher Training and Education, Dr. Harlinda Syofyan, S.Si., M.Pd, and the rector of Universitas Esa Unggul, Dr. Ir. Arief Kusuma A.P., MBA for their support. My greatest appreciation also goes to Dr. Ria Saraswati, S.S., M. Hum and Mrs. Hardianti, S. Pd, M. Pd as my examiner and also the Head of English Department for the advice, supervision, and crucial contribution in the improvement of the result of this thesis.

My gratitude also goes to my beloved brother Syahrul Rizqi Fauzi for every support in any form especially when I feel uneasy because I am being chased by a deadline. I also want to thank my beloved aunty Mrs. Barkah Saomi Komariah, Mrs. Nurlaila Hasanah, and Mrs. Nurjanah who believed in me when I did not believe in myself. For that, I am very grateful to have a family full of support in my life.

I am very thankful to have some close friends who always support me. The first appreciation goes to Fillah Pertiwi, she always cheer me up when I had to revise this thesis and restart it again. The second appreciation goes to Annisa Nur Wasyila, Hanna Fhaqudza, and Sophie Octarini who have supported me since Junior High School. I also thank to Ghina Alya, Nafisha Nazmunissa, Sekar Galuh, Setiani Nur Laily, my thesis supervision colleagues, and all of my PPL partners for staying by my side.

Finally, I would like to thank everybody who was important to the successful realization of this thesis. This thesis is far from perfect, but it is expected that it will be useful not only for the researcher but also for the readers.
